2010 Hilltop Yearbook Order Form

Our 2010 yearbooks will be full-color, foil-embossed hardcover books similar to those produced in 2007, 2008, and 2009. Due to the production quality and cost, yearbooks are available by pre-order ***only***. If you'd like to view our past yearbooks, we have a "school copy" of each in the office. The purchase price of $30 per book is very close to the production price; this is not a fundraiser. We also depend upon a certain number of ad sales to help defray the purchase price.

Please submit your completed order form, with payment, by *Monday, March 1st*.
